Dear Mr Woods

Public Footpaths Y24/10 and Y24/12

This is to inform you that Somerset County Council will not be removing the gates on Y24/10. The gates must remain unlocked (preferably open). South Somerset District Council will be removing the old signs and erecting a new fingerpost where Y24/10 and Y24/12 converge at the county road.

I do not think a site visit would be beneficial at this stage but if Mr Herrick is proposing to carry out works that in any way affect a public right of way he must consult Paul Attwell at South Somerset District Council.

Yours Sincerely

Sarah Littler
